

Situated on the 6th green of Country Hills golf course this Stepper custom built family home features a spacious kitchen, enlarged family room and 4 bedrooms. This is a true gem, ideal for the growing family with both public and separate schools in walking distance.

Nine foot ceilings give that roomy feel to already spacious rooms. The upper loft area is an ideal space for computer or library.

Keep cool in the summer with central air conditioning.

Two tier deck in the south facing backyard is great for entertaining and if the man in your life loves his truck then let him park it in the 21x24 garage.

Plenty of upgrades including water softener & 2009 hot water heater.
